Dear Parent /Carer

Re: Request for tissues and baking money

We are sending out a plea to you all to bring in a **box of tissues**. We go through copious quantities of these during the year and having as many boxes as possible will help with drippy noses, sore knees and little tears!

We also ask for a donation of £10.00 towards **baking/playdough money** to help with all the baking and other fun consumables we buy to keep the curriculum rich and well resourced. Please put this in an envelope clearly marked 'Baking Money' with your child's name. Many thanks.

Please, please make sure your child has a spare change of clothes and some (more than one pair!) spare underwear. We are running very low on spare underwear.

Just a quick reminder about checking your child's hair for nits on a daily basis. Our policy is if we find nits/live lice in your child's hair, we will ask you to come and collect your child. Once they have been treated, they can return back to school.

We have noticed that our Outdoor Kitchen and Gravel Pit are being played in before and after school. Please do not let your child or siblings play in these areas. We tidy these for the following child initiated session.

Some parents have asked about changing school books. School books should be changed in a morning as part of your morning routine. Please can we ask that you put the book back in the right book box (located on the painting or technology table) and choose another book to take home to share together.

Please can we ask you to wait outside the cloakroom at home time, if you need to speak a teacher please can you wait until the other children have left the classroom.

If you have any questions do come and speak to us. Thank you for your support.

With kindest regards,

THE RECEPTION TEAM
