Dear Parent/Carer,

17th November 2017

Christmas is just around the corner and we, the PTA need your help! Please can we ask for your support with our Christmas tree Fundraiser? Simply order and collect your Christmas tree from school this year and we will raise £5 for every tree sold. The trees will be Nordman Fir, one of the most common Christmas trees sold and at a similar price but by purchasing your tree through school your children will benefit from the money raised.

How does it work?

There are two ways that this can be done:

- parents complete the form below and return it to the school office with full cash payment.
- parents can choose their tree from the tree Nursery. Please complete the form below and take this to Crabtree Farm near Kirkby Lonsdale, LA6 1PJ. You will need to get the voucher signed when purchasing your Christmas tree and return this to school. **This is essential so we can claim £5 cash back for the PTA.**

Christmas trees are purchased from Crabtree Farm near Kirkby Lonsdale, LA6 1PJ

In addition you can order a wooden block base for £4.00 or a plastic base for £4.50. These are an additional cost to the tree.

All orders made through school must be received by Friday 1st December.

Trees will be delivered to the school for collection early December - the delivery date is to be confirmed but will be the first week in December and parents are to collect their tree from school.

We hope the Christmas tree fundraiser can be an annual event raiser. Thank you for all your support throughout the year. **Ghyllside PTA**

.....
Please return with payment to School office by Friday 1st December.
