Dear Parent/Carer

Re: Request for tissues and baking money

We are sending out a plea to you all to bring in a **box of tissues**. We go through copious quantities of these during the year and having as many boxes as possible will help with drippy noses, sore knees and little tears.

We also ask for a donation of £10.00 towards **baking/playdough money** to help with all the baking and other fun consumables we buy to keep the curriculum rich and well resourced. Please put this in an envelope clearly marked 'Baking Money' with your child's name. Many thanks.

A few more little reminders...

- We have a water station in our classroom so your child doesn't need to bring in a water bottle to school, water is available throughout the whole day and staff will be encouraging children to help themselves to a drink throughout the day.
- Many thanks if you have returned your child's 'All About Me' sheet. If you have not returned this, please do so promptly.
- Home reading books are changed in the **morning**. Please do not send your child back into school at the end of the day to change their books. This is for the safety of all the children so that staff know which children are left in the classroom.
- Please remember to check your child's hair regularly for head lice, we have already had some reports in class. Conditioner and a nit comb during bath time works a treat!
- If your child is unwell and not attending school please make sure that you call the School Office to let us know your child will not be in. *School Office: 01539 814930*

With kindest regards,

THE RECEPTION TEAM'
