

## Year 2 Morning Routine and walk

As we are now about to enter the last half term of Year 2 we are beginning to prepare for Year 3.

To help make this a smooth transition Year 2 children are going to start lining up on the main yard with the juniors in the morning. We will start on Monday 3<sup>rd</sup> June. Children will line up when the bell goes and we will collect them from the yard.

This term we are also planning to go for a walk up onto Scout Scar to support our geography understanding of different landscape features. This will be weather dependent and we will inform you the day before by the text service.

Thank you for your continued support.

The Year 2 Team
