Greenside Allotment Visit

Monday 13th May 9.15am ~ 11.15am and 12.50pm ~ 2.50pm

Tuesday 14th May 9.15am ~ 11.15am and 12.50pm ~ 2.50pm

Dear Parents/Carers,

As part of our Living Growth and Change Topic we are planning a series of visits to the Allotments on Greenside.

We will be taking small groups of fifteen children over two days so we can have a more interactive session. We will meet other people who love to grow things, see how many things are growing, water some plants, listen to a story with a little snack picnic and even plant some of our seedlings on Mrs Mason's small patch of Allotment! We will tell you when your child is going once we have received all the responses. They will need sensible footwear and old trousers, which may get dirty, worn with their school sweatshirt.

We will be looking for a few helpers to come and walk with us and join in the fun.

Please fill in and return the permission slip asap.

Thanks again,

Reception Staff
